

### Nordic Lancia Meeting 2018

The 15th Nordic Lancia Meeting will take place from 8th to 10th June 2018 near Vejle on the east coast of the Danish mainland. We have booked the Munkebjerg Hotel situated in a beech forest with fine views of the Vejle Fjord. The hotel is an architectural gem offering very good service and high quality furnishings. It lies at the top of a hill which once a year is used for a historic hill climb. The surrounding countryside is undulating with many quaint, hidden roads and sights. Ideal for Lancia driving.
